Folder	1	French

Key Points:

- All items should be brought with student by Sunday, September 17th.
- Please label pencil cases, school bags, and water bottles.
- School supplies should be of a generic nature (please try to avoid cartoon-themed materials)
- Library bags are required - a plastic folder has been requested for this purpose
- All school uniform pieces should be labelled with the student's name. P.E. uniforms must only be worn during P.E. lessons.
- The above listed items are the general items required for the start of the year; some teachers may require additional items for special activities.
- It is recommended that students purchase a soft case for their chromebook (once they receive it).
