Key Points:

- All items should be brought with child on the first day of school
- Only extra clothes, school bag, lunch box, pencil case and water bottles should be labelled
- School supplies should be of a generic nature (please try to avoid cartoon themed materials)
- Library bags are required and can be purchased with the uniform
- All school uniform pieces should be labelled with the child's name
- Extra clothes **SHOULD NOT** be school uniform pieces
- Children must know how to tie shoes **OR** wear velcro shoes
- The above listed items are the general items required for the year, some teachers may require additional items for special activities
- It recommended that students purchase a soft case for their chromebook (once they received it)
