

Dear Parents,

Our staff at MWIS are getting excited to commence the 2020 - 2021 academic school year. As you know, this is a challenging time and many rules and regulations are continuously changing. It is our goal to keep you updated with accurate information as we receive it. For that reason, it is critical that you regularly check the email that you have registered with the school and refer to our [school website](#) for updated information.

ADEK Announcement Concerning Grades 6 - 12

ADEK has recently informed schools that students in Grades 6 - 12 will start the school year with e-learning and they will not physically attend the school premises. The e-learning model will continue for at least the first four weeks of school. Prior to August 30th, we will send the schedules for students and we will continue to use Google Classroom and Google Meets for our virtual lessons.

ADEK Announcement Concerning KG1 - Grade 5

ADEK has confirmed that students in KG1 - Grade 5 can physically attend school. We plan to offer a gradual reopening so that we are able to continuously monitor the situation and ensure that we are adhering to all of ADEK's protocols concerning student safety.

***Please note that students with special educational needs will be considered on a case by case basis to ensure all precautionary measures can be adhered to*

Parent Survey for KG1 - Grade 5

At MWIS, and in line with ADEK guidelines, we consider your choice to have your children in school at this time to be an important decision to make weighing your family's needs. You have a choice to have your child return to the school for face to face instruction or e-learning instruction for Term 1. Once you have made this important choice you must stay with that choice for the duration of Term 1. **It is incredibly important that all parents of students in KG1 - Grade 5 complete the parent survey to determine if your child will physically attend school or not.** In order for us to deliver the best educational experience for your children, this is important data that we must collect as soon as possible.

- You must complete one separate [survey](#) for each child you have in KG1 - Grade 5. If you have three children in this age category, you must complete three separate surveys.
- Please note that if you do not complete this survey, we may not be able to guarantee your child the opportunity to physically attend school.

Bus Transportation

As we are determining our student numbers and adjusting to many changes at the school, **we will not be able to offer bus transportation for the first two weeks of school.** We ask that you make alternative arrangements during this gradual reopening phase. Bus Transportation will commence in Week 3 of our gradual reopening.

Supply Lists

You can visit the website for [general supply lists](#) for KG1 - Grade 5. Please note that additional items may be added to help support your child during these challenging times.

Reopening Plan Schedule

*Please note that as per previous years, **KG1 and KG2 start one week later than other students.** We will continue with this policy and KG1 and KG2 will commence school Sunday 6 September with no e-learning offers for the week of Sunday 30 August - Thursday 3 September.

Week 1

Date	KG1 - KG2	Grade 1 - 2	Grade 3 - 5	Grades 6 - 12
Sunday 30 August	No lessons in school or e-learning	e-learning	attend school	e-learning
Monday 31 August		e-learning	attend school	e-learning
